Professional reference

It is to inform that SAJSOFT Piotr Bachnak has created the Magazyn software for Śląskie Przedsiębiorstwo Robót Inżynierskich Ltd.

The software has met our expectations. It has helped to conduct the process of stocktaking and organize the work in our company. SAJSOFT has also provided their support during the process of stocktaking and helped to train our employees in the usage of Magazyn.

All tasks entrusted to SAJSOFT were executed in a conscientious and professional manner.
